Dear 5th Grade Parents & Students,

In the 5th grade, students begin utilizing their iPads both in the classroom and at home. The iPads allocated to them in the 5th grade will remain with them until graduation. This year, students will receive a new iPad 10 (10.9-inch LED). They will be required to sign usage agreements and adhere to the guidelines outlined in our school handbook.

Additionally, each student is responsible for their own case and will not be given their iPad until they bring an approved case to school.

Suggested cases:

Case with keyboard

Logitech - Slim Folio Keyboard Case for Apple iPad (10th Gen)

This case does not use an external charger, and uses batteries and iPad Power

All 4 corners of the iPad are covered.

Case without a Keyboard

ZUGU CASE for iPad 10.9 Inch 10th Generation

All 4 corners of the iPad are covered and the stand is very sturdy.

Please do not purchase OtterBox-like cases. These types of cases have been known to cause iPads to overheat and can be challenging to remove. Additionally, the plastic screen cover may negatively affect the sensitivity of the touch screen, leading to a less responsive user experience.

Compatible Stylus (Optional)

Apple Pencil (1st generation)

Logitech Crayon (specifically redesigned for the iPad 10)

Zagg Pro Stylus

JamJake Stylus (best value)

Sincerely, Ms. Becky Cooper
