

STM BottleDrop

What is BottleDrop?

BottleDrop is a statewide network of services, locations, and programs centered around Oregon's bottle deposit.

And BottleDrop Give, is a program helping nonprofit organizations to fundraise by collecting beverage containers with an Oregon refund value. We are excited to begin a BottleDrop Give program at STM this year! You're already recycling your bottles and cans, right? So, this will be easy, all you need to do is to start tossing your empty containers into the BLUE BAG. With your support we hope to make BottleDrop a low effort, but valuable, new fundraising stream for STM. Thank you!

A little more about the Blue Bag...

Blue Bags are reserved for non-profits and are tracked with an identification sticker.

When you receive your Blue Bag you'll notice a sticker, or 'bag tag', with a barcode on the top corner. This sticker is how BottleDrop identifies and credits funds to Saint Thomas More.

There are two options to return Blue Bags:

-The first is to bring your Blue Bags to the STM parking lot on a collection day and we will drop them for you.

-The second is to drop your bags directly at a BottleDrop Center or one BottleDrop's partner retailer locations. Scan the STM bag tag to open the secure DropDoor, drop your bag, and that's it! You can collect a new Blue Bag from Mrs. Kennedy at anytime.

BottleDrop partner retailer locations can be found here:
